What went well?
- Pham Uyen Nhi: Project as a whole is still up to the schedule.
- Tran Hoang Lam: All members did their parts responsibly.
- Ngo Pham Huy Hoang: References that were provided in the course are very helpful for the project assignment
- Le Xuan Dat: Communication has improved so each member can understand each other's work and problems more ..
- Nguyen Cong Lap: The quality of each meeting is getting better during the progress of this project

What to improve?
- Le Xuan Dat: Need to be on time for meeting

- Nguyen Cong Lap: Should complete task early and responsibly
